As a non-profit organisation we are required to regularly review the eligibility of students for our services, and therefore require that you always carry your student identification card.

We label the allergens according to EU Food Information Regulation No. 1169/2011. Cross-contamination in the case of the individual ingredients, as well as the unavoidable infiltration of allergens into individual products from a technological point of view cannot be excluded and are not identified.

The prices indicated are valid for students/employees/guest.

The award of the dishes at the place of issue applies.
