

Application for a place at a day care centre
of the Studierendenwerk Hamburg

Dear parent/guardian,

We are pleased that you want to register your child/children in one of our daycare centers.

Even if you are interested in several of the Studierendenwerk daycare centers, please submit the fully completed application to one daycare center only. You will be added to the waiting list of all our daycare centers. If there is no longer any need for a childcare place, we would be pleased if you let us know. You can submit your application in person or send it to one of the E-mail addresses below.
